Tax Compliance in the Transparent new world

- CRS and AEOI, MDR and beneficial ownership registers. What can we expect to be targeted next?
- FATCA – Where are we on enforcement of compliance breaches?
- Mandatory disclosure of tax avoidance schemes to fight against “base erosion and profit sharing”(BEPS)
- Prosecution of ‘enablers’ of tax evasion

- Unexplained Wealth Orders - Are we likely to see Asian jurisdictions follow the new UK regime?
- How to best obtain cooperation from clients to meet tax compliance standards?
- What more can be done to educate clients about the potential impact on them of tax transparency?
