Maximising the Discussion around Wealth & Estate Solutions in the Middle East

- Legacy, succession planning and wealth protection. How can you make the most of this opportunity with your clients?
- How are wealthy families structuring local assets in a more robust way?
- What developments are we seeing around migration? Citizenship and residency?
- How has the UAE benefitted from Covid-19? Has this been at the detriment of centres like Singapore?
- What has the UAE done to become more relevant and interesting for UHNW families and family offices?
- How does HNW Insurance increasingly factor into the conversation today?
