3.00pm	Residency & Citizenship – Tracking Key Trends for the Region's Wealthy Looking Overseas and Global Clients Looking toward Asia

- What are the key global mobility and investment migration trends have emerged in the past year or two since the pandemic struck?
- Where is the demand emanating from these days, and how does that compare with historical trends?
- Is Asia a source of outward activity, or inward activity, or both? Why?
- Within Asia Pacific, which countries are the source of the greatest and growing client demand, and why?
- Within Asia Pacific, which countries are the targets of the greatest and growing client demand from outside the region, and why?
- Scanning the globe, where are the most interesting or compelling opportunities today, and why?
- How does the wealth management industry work with the investment migration industry, and what are the commercial or other advantages of doing so?
- How and where does investment migration align with estate and legacy planning?
- Investment migration is not so simple, so what must you do to make the right decisions and then achieve the desired results?
- What programs have closed? Which new ones have started? What rules/regulations have changed?
