Thailand Wealth Management Forum 2017

8.40am	Registration
9.00am	Welcome Address

Michael Stanhope
Founder & Chief Executive Officer
Hubbis

9.05am Panel discussion

Building capacity and capability in Thai wealth management

- What's driving growth in the Thai wealth management market?
- What do we need to do to move faster?
- What are the needs of your clients? How can you help them?
- Onshore / offshore
- Do it yourself or partner with someone else?
- How can we develop the advisory proposition and make money out of it?
- Can we change the mind-set and educate bankers to actually think about putting the client's needs first?
- What's the training and competency framework that's relevant and most effective?
- The role of digital – does it really matter?

Chair

Michael Stanhope
Chief Executive Officer & Founder
Hubbis

Mercer

13.05pm Lunch

13.50pm Panel discussion

Insurance – finding relevant solutions for Thai clients

- What are the priorities for insurance companies to develop their offerings to capture more of the growth in wealth?
- How do we drive the right types of needs-based conversations with our clients?
- What's the role of insurance in proper wealth planning?
- How do we diversify the types of insurance products and solutions we sell to our clients?
- What's most suitable to clients – such as variable products, unit-linked policies and term?
- Where is new business going to come from over the next 5 to 10 years?
- What are the right tools and ways to engage clients today – and also the next generation?

Chair

Michael Stanhope
Chief Executive Officer & Founder
Hubbis

Panel members

Michael Parker

14.25pm Head - to - Head Q & A

Building a world-class wealth management business in Thailand

Vira-anong C. Phutrakul
Managing Director, Consumer Business Manager
Citi

- What are the strategic priorities for Citibank in Thailand?
- How are you improving the wealth management offering and related products / services?
- What enhancements to the platform are in the pipeline?
- How important is digital to you? And what are your key digital initiatives?

14.35pm Presentation

The technology wake-up call for the buy-side: top 3 priorities for optimal performance

Erdem Ozgul
Managing Director
Numerix

- Increasing market complexity and other challenges are putting pressure on the buy-side to streamline their operations, enhance efficiency and improve functionality – from the front to the back office
- As a result, the technology needs of today stretch across software, hardware and infrastructure

14.45pm Presentation

Singapore & Hong Kong as Asian wealth management centres & overview of CRS and AEOI

Irene Lee
Head of Business Development, Singapore
Equiom Group

- Overview – Asia in general
- Singapore and Hong Kong as wealth management centres
- Singapore & Hong Kong companies
- Brief summary on CRS & AEOI
- Other estate planning tools

14.55pm Presentation

Lifting the lid on beneficial ownership

Eve Tay
Director, Client Solutions
Asiaciti Trust

- As part of a global push on transparency led by the G20 countries, International Financial Centers worldwide are beginning to establish a central register to hold beneficial ownership
- How are the various jurisdictions coping with the pressure and the recent changes in their law to push for revealing of beneficial owners details?
- How will these changes affect individuals who are looking to set up an asset-holding company?
- What other important factors does one need to consider when setting up a company? Succession planning and asset protection as key themes that are being considered

15.05pm WealthTalk

Taking Asia's independent community to the next level

- What's the opportunity for independent/external asset management firms in Asia?
- How to drive growth and greater industry collaboration
- Fostering best practices

Steve Knabl
Chief Operating Officer & Managing Partner
Swiss-Asia Financial Services

15.15pm Refreshment & Networking

15.40pm Panel discussion

The chicken and the egg: the asset management dilemma?

- To what extent will platforms like FundConnext facilitate mutual fund distribution in a meaningful way?
- Given that we have mis-managed investor expectations in the past – is it likely that we can deepen fund penetration?
- Instead of fishing in the same pond – how can we create new demand and interest for funds?
- How might schemes such as a Mandatory Provident Fund help the situation?
- Do we need to expand the product range? Especially given the simple demands of clients.
- How do we move from 'pushing' product to taking a long-term solutions-type approach?

Chair

Michael Stanhope
Chief Executive Officer & Founder
Hubbis

Panel members

Benjarong Techamuanvivit
First Senior Vice President, Strategic Planning Division
Kasikorn Asset Management

Pote Harinasuta
Chief Executive Officer
One Asset Management

Kittikun Tanaratpattanakit
Senior Research Analyst
Morningstar

Paul Gambles
Managing Partner
MBMG Group

Steve Knabl
Chief Operating Officer & Managing Partner, Swiss Asia
President, Association of Independent Asset Managers (Singapore)

Leon Mirochnik
Head of Business Development
Enhanced Investment Products

16.20pm WealthTalk

My job is to make money for my clients – all I need are some magic bullets

- How much of our time and effort do we focus on chasing returns for clients – and how much (little) on risk management?
- How successful are we at making clients good returns?
- How much of that was down to us and how much was just the market?
- How do clients feel when they make money?
- How do they feel when faced with unexpected losses?
- Will opening up to more global assets, funds and strategies make the job easier or harder going forward?

Paul Gambles
Director
MBMG Group

16.30pm Head - to - Head Q & A

Finding the right technology partner

Shyh Jih Lee
Business Solutions Manager, Asia
ERI Banking

- With an emerging private wealth management (PWM) market like Thailand, how can a technology solution provider help?
- What should emerging market PWM be doing to take advantage of real innovation/automation, to benefit both its clients and its own profitability?
- What can digitisation mean for emerging market PWM?

16.40pm Presentation

India - a bright spot in the global economy

Sameer Dev
Managing Director
ASK Capital Management

- The Indian opportunity is and will continue to be an exciting opportunity that cannot be ignored
- It's presence on the global stage will continue to grow and make ongoing impact thanks to the macro story and regulatory advances thanks to the Modi Government
- The market statistics show it is a market that continues to perform above and beyond expectations more so when compared with other emerging markets and developed markets

16.50pm Panel discussion

How will you navigate the investment markets in 2017?

- Where do you see the biggest investment opportunities and challenges?
- How do clients think today?
- And how do you manage their expectations?
- How will geo-political risks impact the landscape?
- To what extent do Thai clients really want to diversify their portfolios?

Chair

Michael Stanhope
Chief Executive Officer & Founder
Hubbis

Panel members

Ved Vyas
Senior Portfolio Manager
Secure Wealth Management

Jeremy Ng
Chief Executive Officer, Singapore, and Head of Sales, Asia
Leonteq Securities

Sameer Dev
