

Thailand – Wealth Management Update 2021

3.00pm

Thailand – Wealth Management Update

- What are the key developments in Thailand Wealth Management and Private Banking?
- Any key regulatory updates affecting the market?
- Priorities for the year ahead
- Enhancements to your value proposition, products and service offering
- New initiatives and strategy updates
- How do you intend to grow your platform over the next 12-months?
- Post Covid-19, what will you do differently?
- How can you deliver advice to deepen relationships with clients?
- New normal requirements for next-gen clients
- What underserved segments have you found that offer you growth opportunities?
- How is technology helping you engage clients and prospects better?
- Can robo-advisory or machine learning increase efficiency and / or help you generate business?
