

The Growing Opportunity for ETFs and Tailored ETFs in Portfolio Allocation

3.00pm

The Growing Opportunity for ETFs and Tailored ETFs in Portfolio Allocation

- Do you see increasing adoption of ETF solutions among wealth managers in Asia?
- Why has there been a rising tide of interest in Asia for ETFs in Asia in recent years?
- How should HNW clients use ETFs within their portfolio?
- How else do wealth managers use ETFs?
- How are smart beta ETFs assembled?
- Why are thematic ETFs expanding so broadly?
- Is the popularity of fixed income ETFs still rising?
- What are the ETF strategies you see are relevant for clients today?
- How should ETFs be used within advisory and DPM mandates?
- Are Asian investors also gravitating towards ESG ETFs?
