

# Update on Indonesia's Wealth Management Market

3.00pm

Update on Indonesia's Wealth Management Market

- What are the key developments in Indonesian wealth and asset management?
- What are the key challenges that prevent further development in the market?
- What are the opportunities for the regional private wealth management community?
- How is the investment offering developing locally?
- What should the regulators do to help spur further development?
- How is technology and digital helping you engage clients and enhance their experience?
- How do you intend to grow your platform over the next 12-months?
